# **2023snec energy storage exhibition**

## Overview

---

When is energy storage event 2023?

Schedule Conference Date: October 31-November 2, 2023 Venue: Kerry Hotel Pudong, Shanghai, China Exhibition Date: November 1-3, 2023 Venue: Shanghai New International Expo Center, Shanghai, China You are cordially invited to this Energy Storage Event.

When is SNEC 2023?

The 2023 edition of SNEC's international energy storage conference and exhibition will take place in Shanghai between October 31 st and November 3 rd, with a focus on technology, equipment and applications.

What are energy storage conferences in UK 2023/2024/2025?

Energy Storage Conferences in UK 2023/2024/2025 lists relevant events for national/international researchers, scientists, scholars, professionals, engineers, exhibitors, sponsors, academic, scientific and university practitioners to attend and present their research activities.

How many people will attend the energy storage & hydrogen Conference 2023?

It brings together more than 600 core energy storage and hydrogen companies from all over the country and is expected to attract over 150,000 visitors. Schedule Conference Date: October 31-November 2, 2023
