# **Ashgabat energy storage project subsidy policy**

## Overview

---

Take a page from [1]'s playbook [2]: Ashgabat plans capacity-based subsidies (\$200/kWh for first 500 kWh) and demand-response rewards (up to \$0.10/kWh during grid emergencies). For a textile factory using 2 MWh daily, that's a \$40,000 upfront discount—enough to make even a Turkmenbashi statue smile.
