Cape town energy storage container sales

Overview

A wide range of shipping containers are available for sale through the National Containers network of container companies. These containers can be sold as is or can be converted to suit the clients' needs. There are many standard conversion options available including: Below we will discuss the different.

All Containers are made to ISO maritime standards meaning that all come in standard sizes. Containers come in 3m x 2.44m, 6m x 2.44m and 12m x 2.44m and come in a standard height of 2.59m and high cube specification with a height of 2.89m. For more info on.

Our selected container company in Cape Town are experts at container conversions. They provide cost-effective alternatives for conventional buildings. Whether you need additional onsite office space or perhaps an ablutions facility a container conversion might.

Converting reconditioned, used containers has quickly emerged as a trend that is leading the alternative housing, temporary office and workshop market. These sturdy second-hand shipping containers can be turned into something completely new and are being converted for a.

One-trip containers are typically marketed as new containers. These are new shipping containers that have only been used once. Once the cargo has been offloaded and the containers have undergone a thorough cleaning and inspection, they are offered.

Where can I buy a shipping container in Cape Town?

So if you are interested in buying an as-is or converted container, please complete our online form or give us a call, and we will connect you with a leading container specialist in Cape Town. A wide range of shipping containers are available for sale through the National Containers network of container companies.

Why should you buy a container?

Built to withstand harsh sea conditions, our containers provide exceptional longevity and protection for your goods in any environment. With affordable

purchase and rental options, our containers offer excellent value for temporary use or long-term investment.

What size containers are available for sale?

3m, 6m and 12m containers for sale. All Containers are made to ISO maritime standards meaning that all come in standard sizes. Containers come in 3m x 2.44m, 6m x 2.44m and 12m x 2.44m and come in a standard height of 2.59m and high cube specification with a height of 2.89m.
