Public energy storage system service telephone number

Overview

How do I contact Public Storage?

This option is available at any time and provides a convenient way to seek assistance. In addition to their phone and email support, Public Storage also has a physical address where customers can send inquiries and correspondence. Their mailing address is Public Storage, P.O. Box 25050, Glendale, CA 91221-5050, Attn: Customer Service.

Does Public Storage have customer support?

Public Storage's commitment to customer support is evident through the variety of contact options they provide. While their phone-based customer service is not available 24/7, they offer multiple phone numbers, an online help centre, email support, and the option to visit their physical locations for assistance.

Does Public Storage offer 24-hour customer service?

Public Storage's customer service is not a 24-hour service, which may come as a disappointment to some customers. The company offers a range of phone numbers to cater to various customer service needs, including general inquiries, reservation modifications, and payment processing.

What are Public Storage customer service hours?

It is important to note that Public Storage's customer service hours are Monday through Saturday from 5 AM to 10 PM PST and Sunday from 5 AM to 9 PM PST. So, if you're planning to give them a call, make sure to keep these office hours in mind.

What is Public Storage's mailing address?

Their mailing address is Public Storage, P.O. Box 25050, Glendale, CA 91221-5050, Attn: Customer Service. This option allows customers to communicate their concerns or feedback in writing, ensuring a detailed

explanation of their issues.

What is the best phone number to call Public Storage?

Public Storage offers a range of phone numbers to cater to various customer service needs. The best phone number to call Public Storage is 800-688-8057. 48% of consumers used this number to address their issues and concerns. It is also considered the best number to call as 27% of customers reported successfully speaking to a real person.
