Zambia energy storage protection board function

Overview

Who is responsible for energy in Zambia?

By virtue of holding the majority shares (two thirds), the Permanent Secretary of the Ministry responsible for energy in Zambia is the Permanent Chair of the TAZAMA Board. ZESCO Limited is a vertically integrated electricity utility, which generates, transmits, distributes and supplies electricity in Zambia.

What does the Energy Regulation Board do?

The Government established the Energy Regulation Board through the Energy Regulation Board Act CAP 436 of the Laws of Zambia and its mandate is to regulate the energy sector in Zambia. The functions are as follows:.

Why did Zambia change its name to ZESCO limited?

In 1994, the name of Zambia Electricity Supply Corporation Limited was changed to ZESCO Limited. This was to reflect the re-commitment to providing a high quality of customer service. Shareholding The Government of the Republic of Zambia is the sole shareholder of ZESCO Limited.
